FROM THE DESK OF THE EXECUTIVE DIRECTOR
Good Day and Happy New Year,
2017 Was a Flag Ship Year for the Operation Christmas Train Set Foundation and the children in need we serve. Thanks to you are Generous Donors we were able throughout the year distribute over 1900 gifts to children in need. We gave Gifts to kids in need of assistance due to local tornadoes this past spring, bring joy toys and funds raised to kids battling with cancer. In addition we also assisted with various school supply drives and back the blue teddy bear drives. Then during the Christmas seasons we assisted news 9 and news 5 with bringing gifts to children who lost their homes due to fire or lost their gifts due to thieves stealing from them. Then we wrapped up the year by hosting a distribution party to kids in need as well as military families living on tinker air force base. Lets take a look at what you generous donations accomplished this year. Thank you for your support and we look forward to working with you in the future to reach even more children.

Dustin Fisher
Executive Director OCTSF
